

BBC's Student Ministry leadership team is designed for Route 56, Middle School and High School students who are ready to explore all that God has created them to be. Students will grow deeply in spiritual maturity, develop relationships with other like-minded students, learn practical leadership skills, and use their gifts in areas of ministry around the church. The team will meet on Sunday's before Vertical.

High Requirements/High Rewards

We're asking a lot from our student leaders and because of this, we realize that leadership isn't for everyone. Many students won't want to rise to the high level of commitment we are expecting. Others might not have enough time. If student leadership isn't for you, don't worry about it or be discouraged. We are committed to you and want to help you grow spiritually regardless of your level of commitment.
